ARE YOU KEEN TO CONSOLIDATE YOUR PROJECT MANAGEMENT SKILLS?

The Centre for People Development offers the Diploma of Project Management (BSB50820) online. The Diploma is a nationally recognised qualification and **enrolments are now open for course commencing March 2024**.

Diploma of Project Management (BSB50820) is provided online, supported by comprehensive courseware, instructional videos and also case study projects.

The course is designed for managers or leaders of projects who want to develop specialised technical and managerial competencies.

The qualification focuses on your role and how to apply project management skills and knowledge in your organisation including:

- Managing projects in the context of your own workplace and work role
- Providing leadership and management for achieving project objectives
- Applying sound project management knowledge and using a range of specialised tools and project management templates to initiate, plan, execute and evaluate a real work based project.

Comprehensive materials are provided, including textbook and a valuable range of project management tools, templates and instruments, ready for use in participants' workplaces.

You use your project as course input, whether it is an industrial relations process, building or construction initiative, improving diversity and inclusion in your organisation, policy and procedures review or any other work project of importance to you.
